

DUPONT™ WEATHERIZATION PRODUCTS 10-YEAR LIMITED BUILDER WARRANTY FOR BUILDINGS LESS THAN 5 STORIES AND LOW-RISE MULTI-FAMILY RESIDENTIAL BUILDINGS LESS THAN 6 STORIES

DuPont provides the following warranty to *Builders, General Contractors or Professional Installers* upon the terms and conditions set forth herein.

Because DuPont recognizes the volatility of our economic times, should the Builder, General Contractor or Professional Installer to whom this warranty is given, cease to be in business, this warranty coverage will extend to the original registered owner of the building at the time of installation. This warranty is not transferrable except as set forth herein.

This **10-Year Limited Warranty** is effective for DuPont Weatherization Products (“Products”) identified below and purchased and installed after October 1, 2016 in Canada and the United States (US).

This warranty applies to all building structures that are **less than five (5) stories in height in the US and Canada. In the US only, this also applies to “Low-Rise Multi-Family Residential Buildings” which is defined as an entire building structure that meets ALL conditions (i) through (v) listed below.** Use of the term IBC references the 2012 International Building Code.

- (i) **Less than six (6) stories in height and less than sixty (60) feet in height from Grade Plane (IBC Section 202);**
- (ii) **Residential-Use (Group R) building structure (IBC Section 310);**
- (iii) **Constructed of wood-based structural exterior framing and sheathing of Type V or Type III Construction (IBC Table 503), including allowances for Automatic Sprinkler height increase (IBC 504.2) and ‘podium’ structures outlined in the Special Provisions (IBC Section 510);**

- (iv) **Design requirements for building envelope do not exceed ASTM E1677;**
- (v) **NFPA 285 compliance is not required for any of the building’s wall assemblies.**

This warranty does not apply to consumer over the counter purchases for personal home use. For warranties which may apply to consumer rather than professional product purchases, please refer to the DuPont Weatherization Products 10-Year Limited Residential Consumer Warranty.

If any Products are repaired or replaced under this warranty, then ongoing warranty coverage will continue from the start date of the original warranty and not from the date of repair or replacement.

PRODUCT ONLY LIMITED WARRANTY

Subject to Product label warnings and the following Product specific terms and conditions set forth below, DuPont warrants that for a period of 10 years from date of purchase, Products, to the extent identified below, will meet or exceed the water holdout performance properties (pursuant to the Hydrostatic Head AATCC 127 test) in the applicable Product-specific Physical Property Data Sheet in effect at the time of installation. If the Product fails to meet those water holdout properties, then DuPont sole liability will be to provide replacement Product for that portion of defective Product. All product replacement will be in the form of Product being manufactured at the time of replacement. No substitutions of other products or those manufactured by other manufacturers will be permitted.

DUPONT WEATHERIZATION PRODUCTS 10-YEAR LIMITED BUILDER WARRANTY FOR BUILDINGS LESS THAN 5 STORIES AND LOW-RISE MULTI-FAMILY RESIDENTIAL BUILDINGS LESS THAN 6 STORIES

PRODUCT AND LABOR LIMITED WARRANTY

For the purposes of this Warranty, “**Single-Family Residential**” shall mean fully-detached one or two family structures, as well as townhouse structures not more than three stories above grade plane as defined in the 2012 International Residential Code (IRC) section R101.2, both to the extent they are exclusively Residential-Use building structures.

A. For building structures less than five (5) stories in height in the US and Canada or “Low-Rise Multi-Family Residential Buildings” in the US that are “**Single-Family Residential**”, DuPont warrants that for a period of 10 years from the date of purchase, Products (identified below) when installed in strict accordance with the applicable DuPont Installation Guidelines, in a properly constructed and designed wall system, following the applicable building codes and accepted industry standards for each type of structure, will:

- for DuPont™ Tyvek® Wrap Products listed below, meet or exceed the water and air holdout performance properties pursuant to the Hydrostatic Head test (AATCC 127) for water holdout and pursuant to the Gurley Hill (TAPPI T-460) test for air holdout, and
- for DuPont™ Flashing Products, listed below, meet the water holdout performance properties pursuant to the Hydrostatic Head test (AATCC 127); in each applicable Physical Property Data Sheet in effect at the time of installation.

To qualify for this Product and Labor Warranty under A, you must exclusively use Products to the extent applicable on each type of construction, subject to the Product Specific Conditions set forth below.

B. For building structures less than five (5) stories in height in the US and Canada or “Low-Rise Multi-Family Residential Buildings” in the US that DO NOT meet the definition of “**Single-Family Residential**”, DuPont warrants that for a period of 10 years from the date of purchase, Products (identified below) when installed in strict accordance with the applicable DuPont Installation Guidelines, in a properly constructed and designed wall system, following the applicable building codes and accepted industry standards for each type of structure, will:

- for DuPont™ Tyvek® Wrap Products listed below meet or exceed the water and air holdout performance properties pursuant to the Hydrostatic Head test (AATCC 127) for water holdout and pursuant to the Gurley Hill (TAPPI T-460) test for air holdout, and
- for DuPont™ Flashing Products, listed below meet the water holdout performance properties pursuant to the Hydrostatic Head test (AATCC 127); in each applicable Physical Property Data Sheet in effect at the time of installation.

To qualify for this Product and Labor Warranty under B, you must exclusively use Products to the extent applicable on each type of construction, subject to the Product Specific Conditions set forth below. You MUST use the Project Registration and Observation process prior to installation to qualify under the Product and Labor Warranty. For Project Registration details, please see www.weatherization.tyvek.com or call 1-800-44-Tyvek BEFORE you commence installation.

When all conditions under this Product and Labor Warranty for categories A or B above are met, if damage to the building is caused solely by the failure of any Product to meet the water and air holdout specification in the applicable Physical Property Data Sheet, then DuPont will provide replacement Product for all defective Product and pay all reasonable construction repair costs to correct any problem that arises solely out of the failure of the DuPont Products to conform to its Physical Property Data Sheet. DuPont will not have any liability under this warranty for the repair or cost of repair for more than the actual area of damage.

PRODUCTS COVERED AND PRODUCT SPECIFIC CONDITIONS:

DuPont™ Tyvek® Building Wrap Products, including HomeWrap®, StuccoWrap®, ThermaWrap® LE, DrainWrap™, CommercialWrap®, and Commercial Wrap® D

- Products must be installed according to the applicable published installation guidelines to qualify under the Product and Labor Warranty.
- DuPont™ Tyvek® Tape must be used with all Wrap Products as outlined in the applicable published installation guidelines to qualify under the Product and Labor Warranty.
- DuPont™ Tyvek® Building Wrap Products must be fastened using DuPont™ Wrap Cap fasteners or other fasteners referenced in the applicable installation guidelines or temporary fastening section of the guidelines.

Subject to the foregoing conditions and providing all applicable DuPont™ Tyvek® Building Wrap Products are used exclusively (no substitution of alternate or competitive product), the Product and Labor Warranty will apply even where DuPont™ Flashing Products have not been used for flashing doors, windows, and/or other components that penetrate the DuPont™ Tyvek® Building Wrap. This warranty will not cover any alternate flashing products or damages arising therefrom.

DuPont™ Flashing Products, including StraightFlash™, StraightFlash™ VE, FlexWrap™ NF (No Fasteners), and Flashing Tape

- In order for Flashing Products to qualify under the Product and Labor Warranty, all other applicable DuPont Products, including Wrap Products, must be used. Flashing Products used alone will only have a Product Warranty.
- Substitution of any other building envelope, flashing or tape products when there is an applicable Product available from DuPont will void this Product and Labor Warranty.

DUPONT WEATHERIZATION PRODUCTS 10-YEAR LIMITED BUILDER WARRANTY FOR BUILDINGS LESS THAN 5 STORIES AND LOW-RISE MULTI-FAMILY RESIDENTIAL BUILDINGS LESS THAN 6 STORIES

WHAT IS NOT COVERED BY THESE WARRANTIES:

1. Any building structure that is greater than 4 stories in Canada.
2. Any building structure that is greater than 4 stories in the US, unless it is a “Low-Rise Multi-Family Residential Building” (as defined above).
3. The negligence, gross negligence, or willful misconduct of the Builder, General Contractor or Professional Installer or of any third party, including the building owner.
4. Any application in which DuPont™ Tyvek® Building Wrap Products come into contact with DuPont™ Tyvek® Fluid Applied Products.
5. Acts of God, including but not limited to, fire and lightning, hurricane, high winds.
6. Vandalism or attack by any party.
7. Defects in the structure or a component of the structure (e.g., window, door, or wall system) or selection of any components of the structure, contamination from building site chemicals, or premature deterioration of the building materials, or nonstandard use or application of the Products.
8. Foreign objects or agents, including the use of materials incompatible with DuPont Weatherization Products.
